ENTERTAINMENT

LET US ENTERTAIN YOU

This year the Yearbook staff tried to come up with a clever and original idea. We talked about what a yearbook does. The decision is that it is entertainment. We thought about it and that's what we did.

We're gonna' entertain you. Sit back, enjoy. We're gonna' make you laugh. Maybe we're gonna' shock you - BUT your gonna' like it.

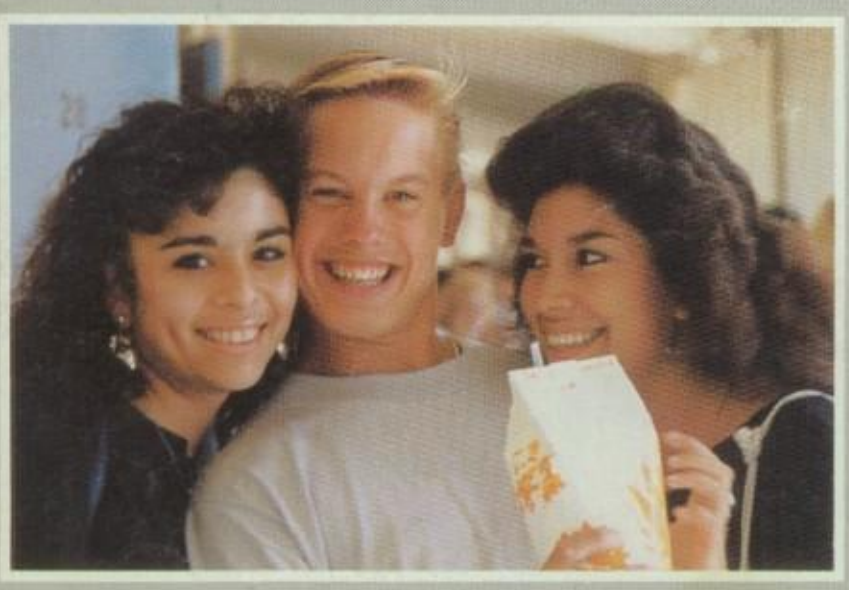
HAVE FUN.

Shannon and Andrea are enjoying already.

Bonnie Powers flashes form and a dazzling smile.

Let us entertain you,
Let Us see you smile,
Let us entertain you - spend a while

A really entertaining football victory came at the expense of 'poor' Valencia. Our guys couldn't be any more pleased. Their joy was catching.



Dave, Scott, and Christy are pleased about life.

SEEK AND YE SHALL FIND

Opening 1-16

Winter 119-140
Faculty/Academics 141-164
Spring 165-189

Ending 226-240

Tina, Danielle, Jennifer, and Toni congratulate Art on the victory.

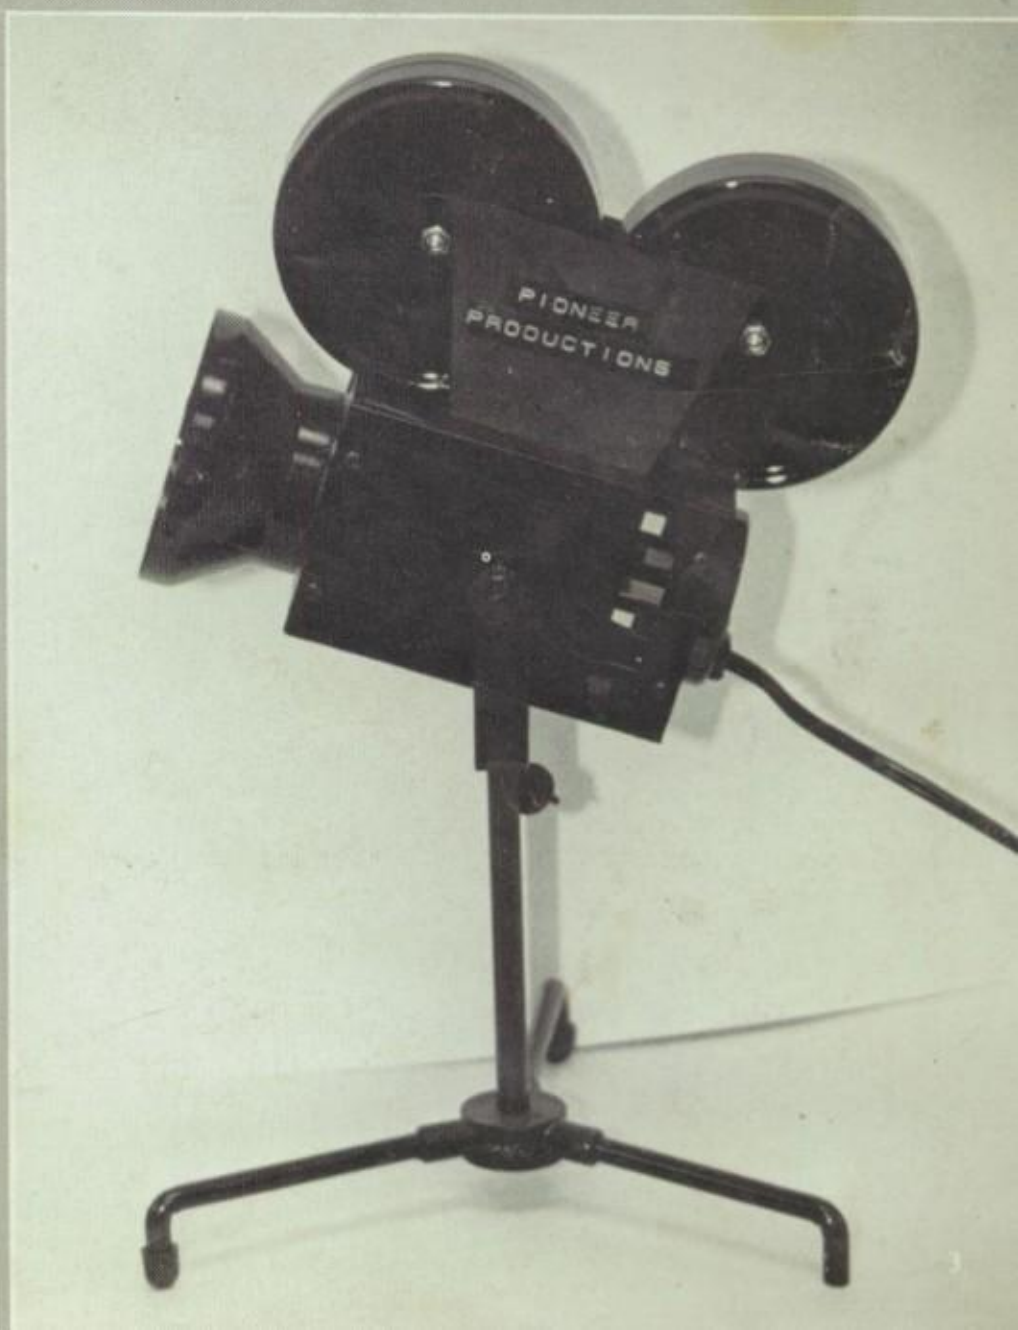
When you've got it, flaunt it!

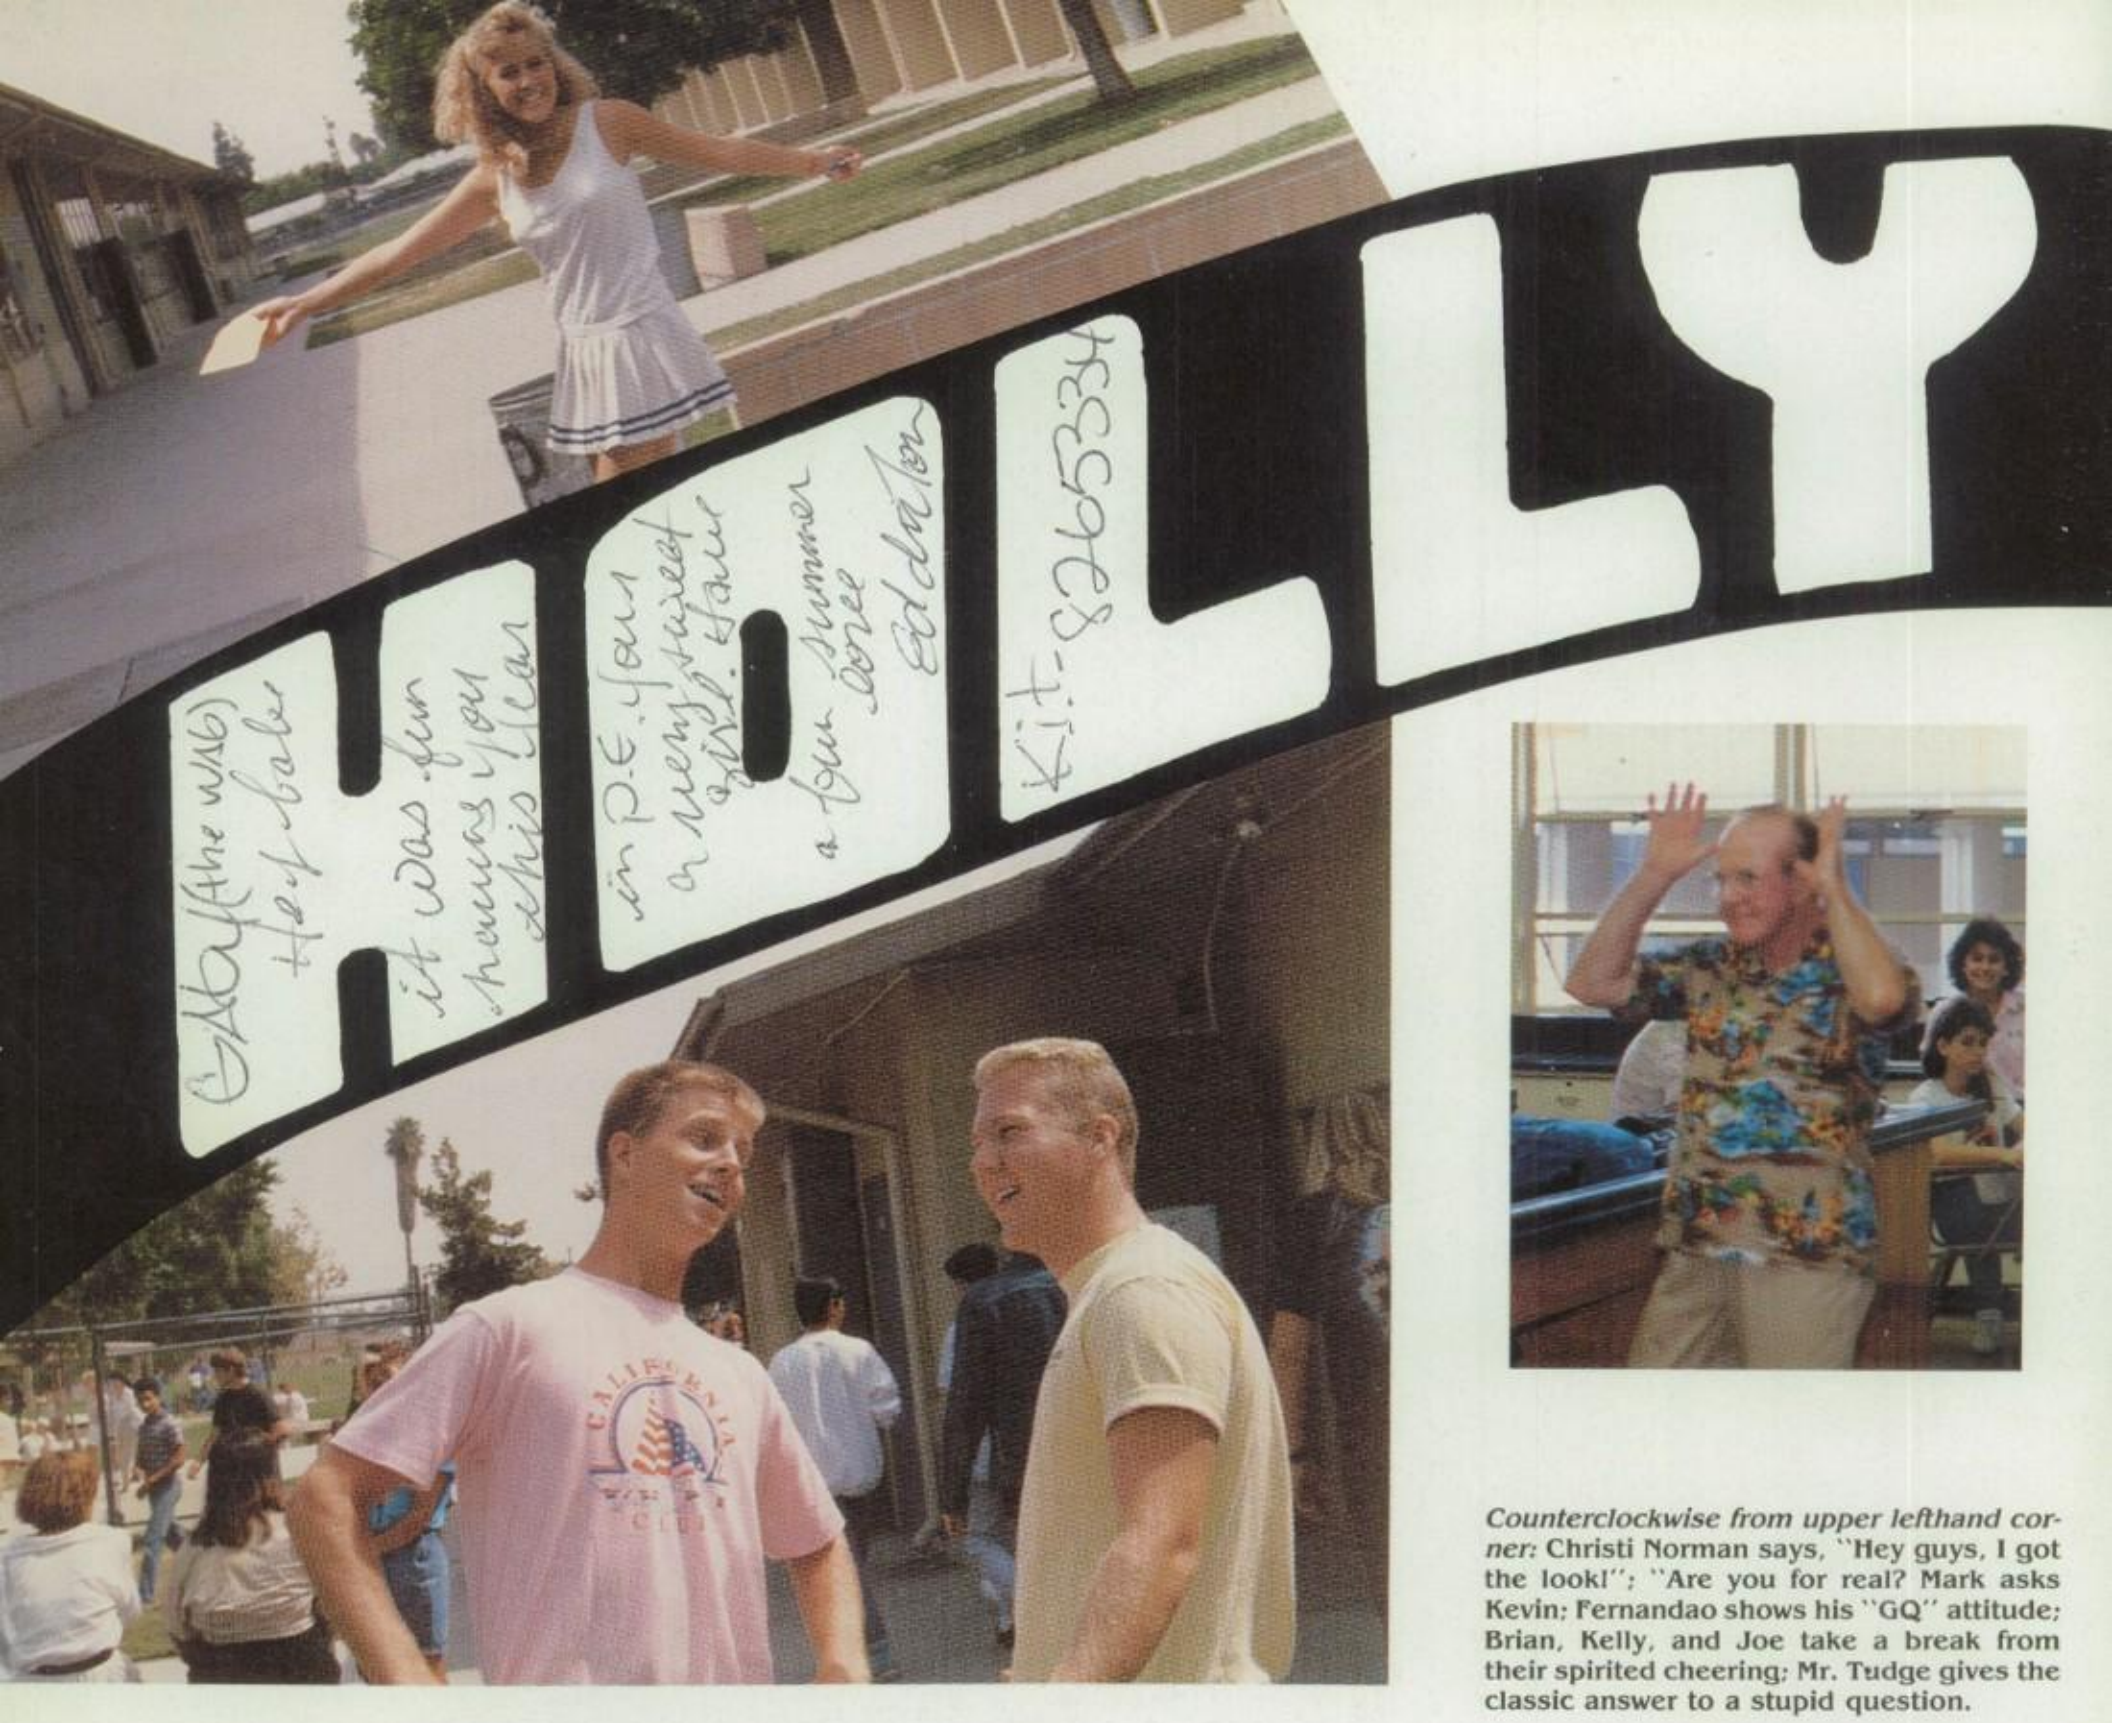
Colin's got *IT*.

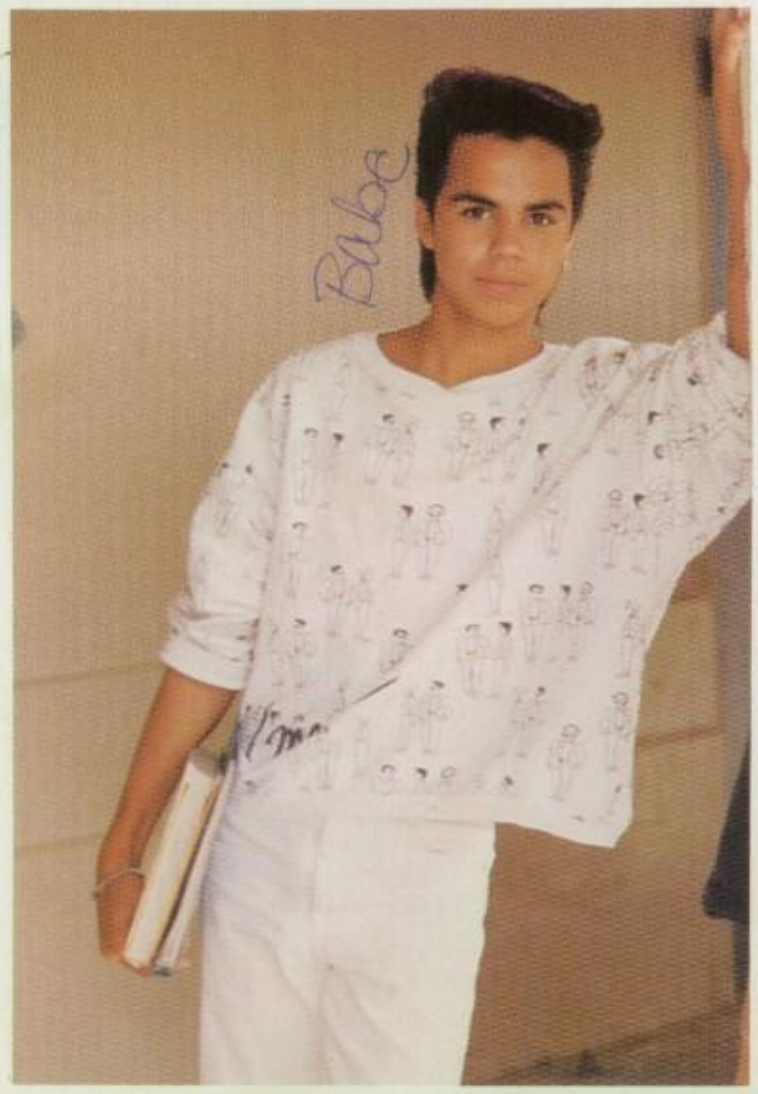
ena, Theresa and Dana stack up pretty' well.

Have I told you the one about "Goodnight Moon" asks Bob of Dahlia.

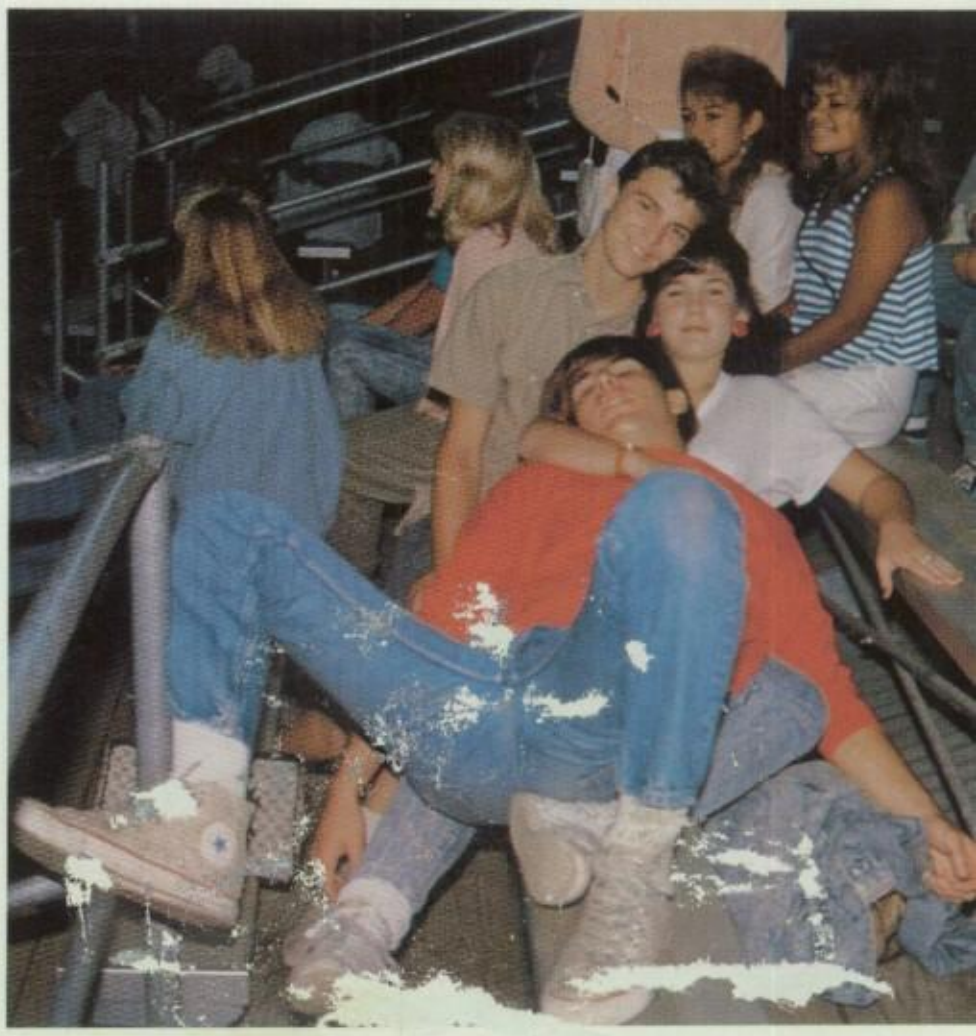
There's more than one way to kick back - Steve, Pablo, Brian, Joe, and Steve know how.



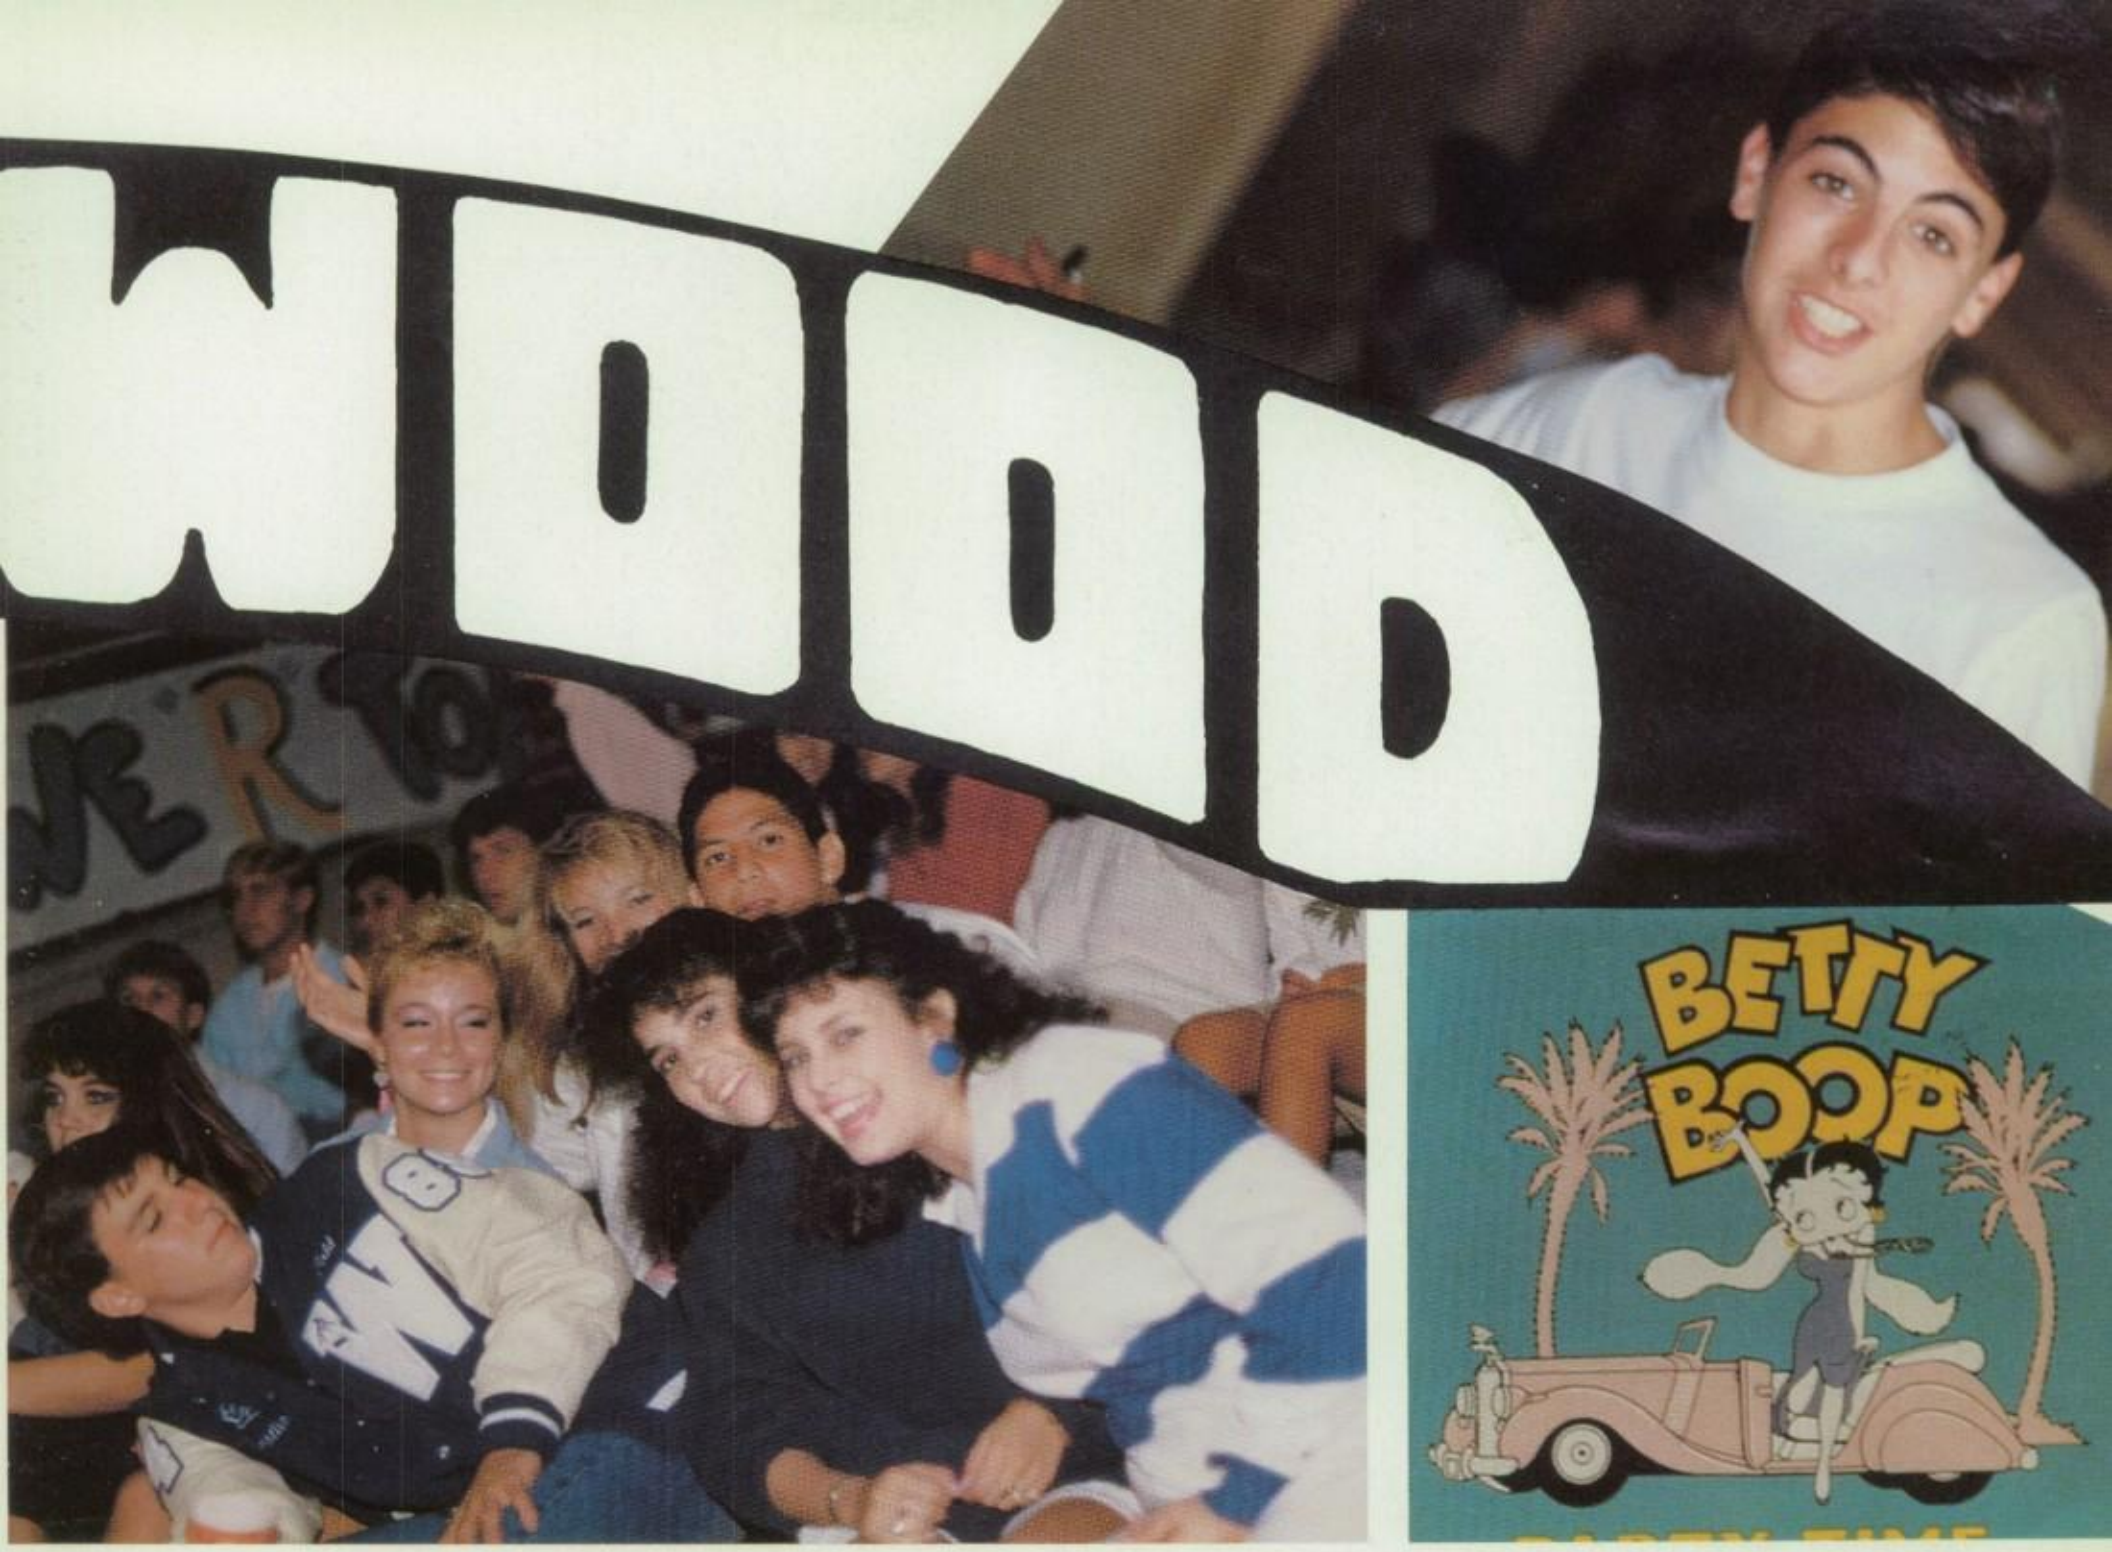




Counterclockwise from upper lefthand corner: Christi Norman says, "Hey guys, I got the look!"; "Are you for real? Mark asks Kevin; Fernandao shows his "GQ" attitude; Brian, Kelly, and Joe take a break from their spirited cheering; Mr. Tudge gives the classic answer to a stupid question.



WOOD



U GOT THE LOOK

"Here we are folks, the dream we all dream of — boy versus girl in the world series of love. Tell me, have you got the look?"

Clockwise from upper righthand corner: We don't have to tell Bryan to smile; Five ways to express an attitude — "TOO COOL"; Sheri asks Matt why his arms don't feel like Ken's; "Who are these people, Lisa?" asks Todd.

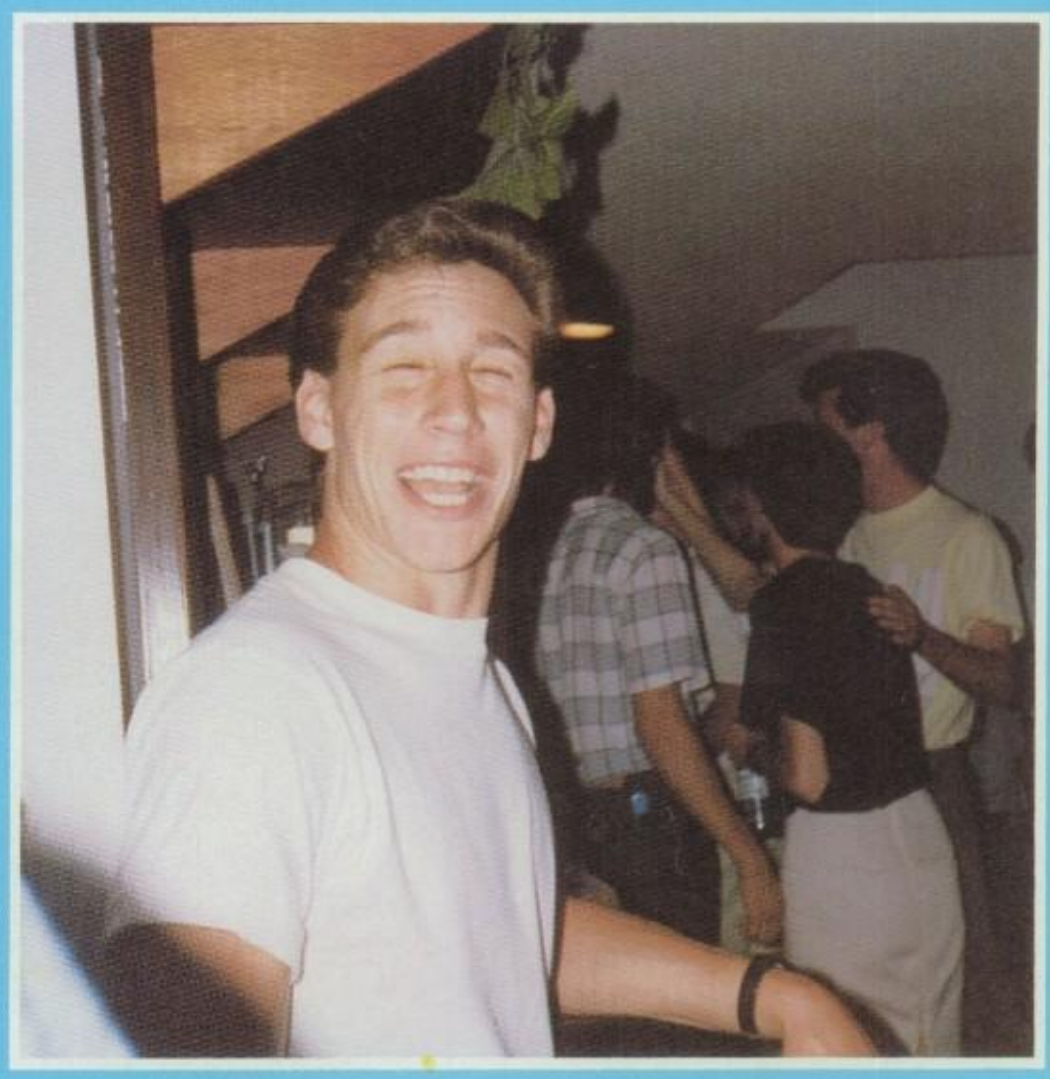
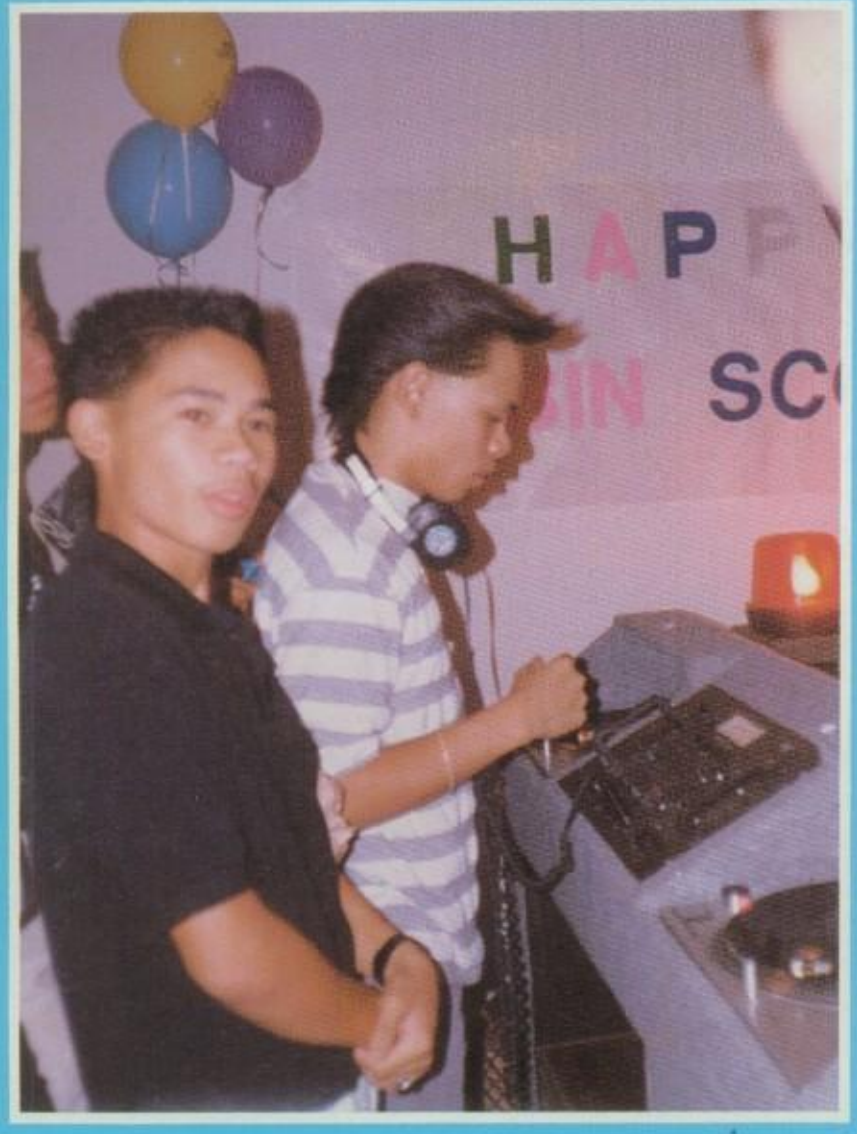
"Girls Just Want To Have Fun"

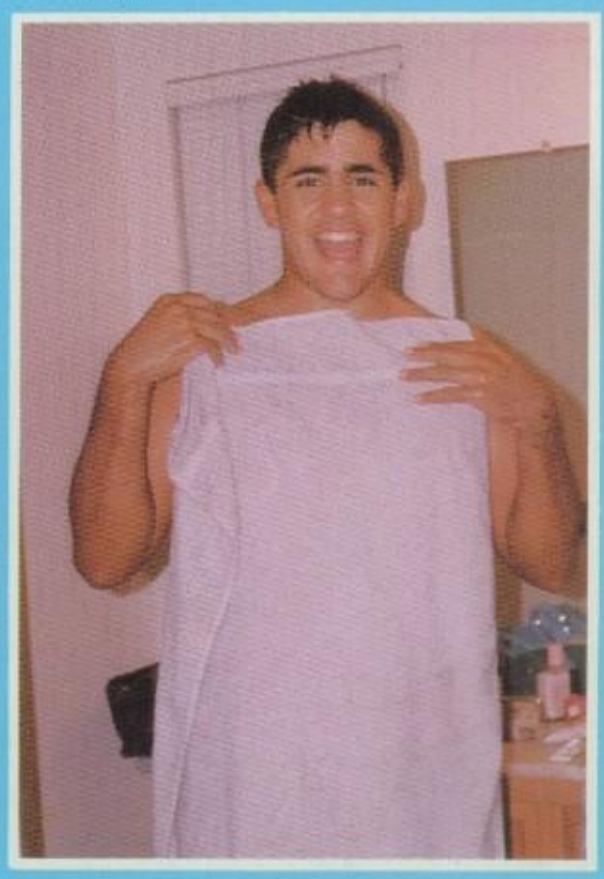
Here At Western our students love to be out and doing things on weekends. They enjoy athletic events, parties, bowling, movies, golfing, dancing, off-roading, motorcyle riding, skiing, bicycling, surfing, swimming, the beach, scuba diving, concerts, hangin' around, cruisin', TV, videos, quarters, going to the library, jogging, and other just relaxing things getting away from school. We shouldn't get bored, but . . .



Don Norris can't believe he's at a party.

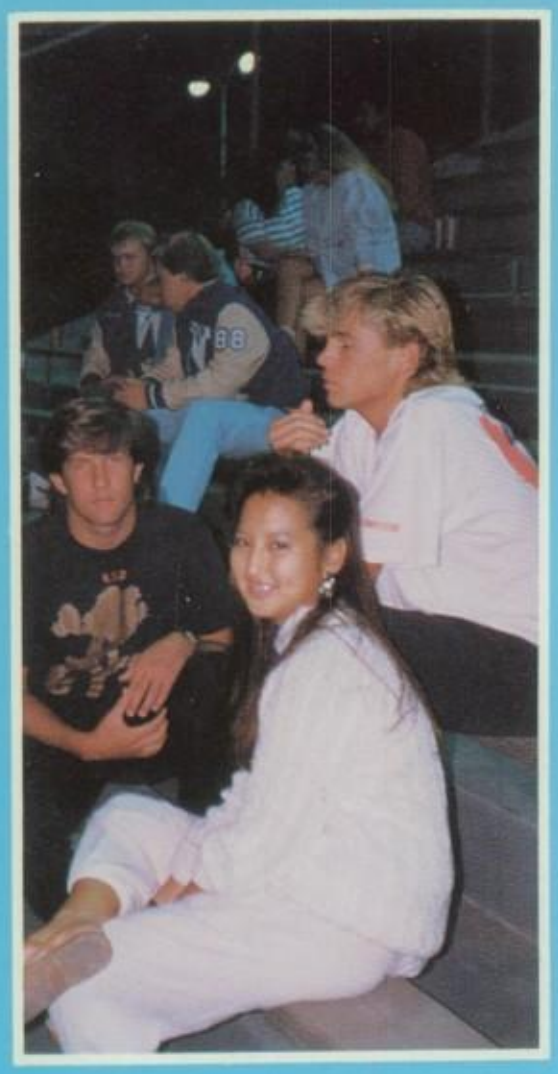


Roland entertains at a party.

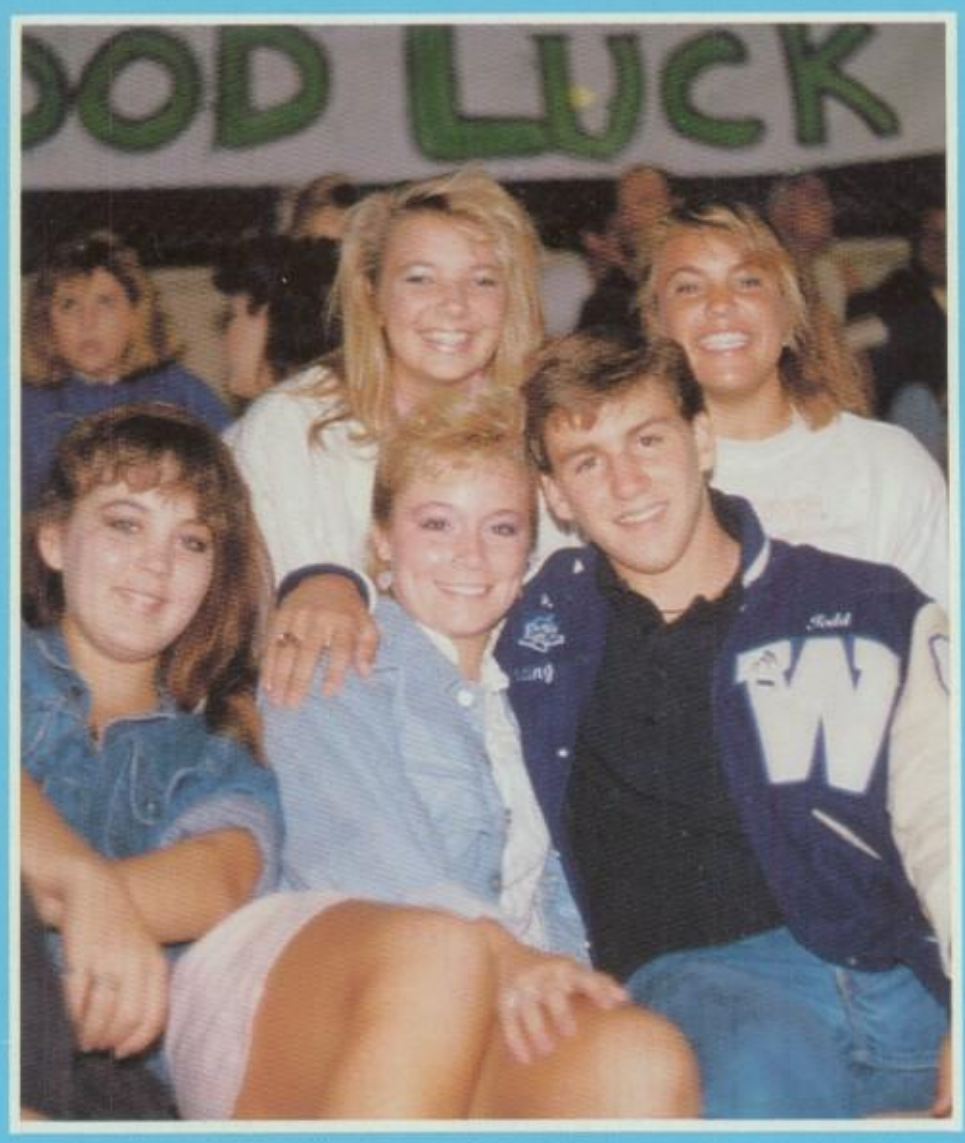


Eddie Ortiz prepares for a night on the town.

Mark Bell as Mr. Video



Andy, Yurika, and Neil enjoy the game.



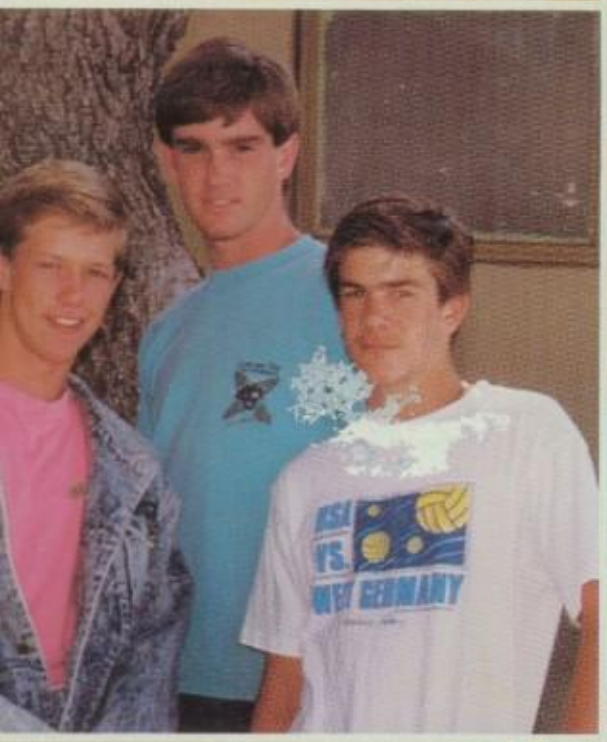
'The Gang' pose for a quickie at the game.

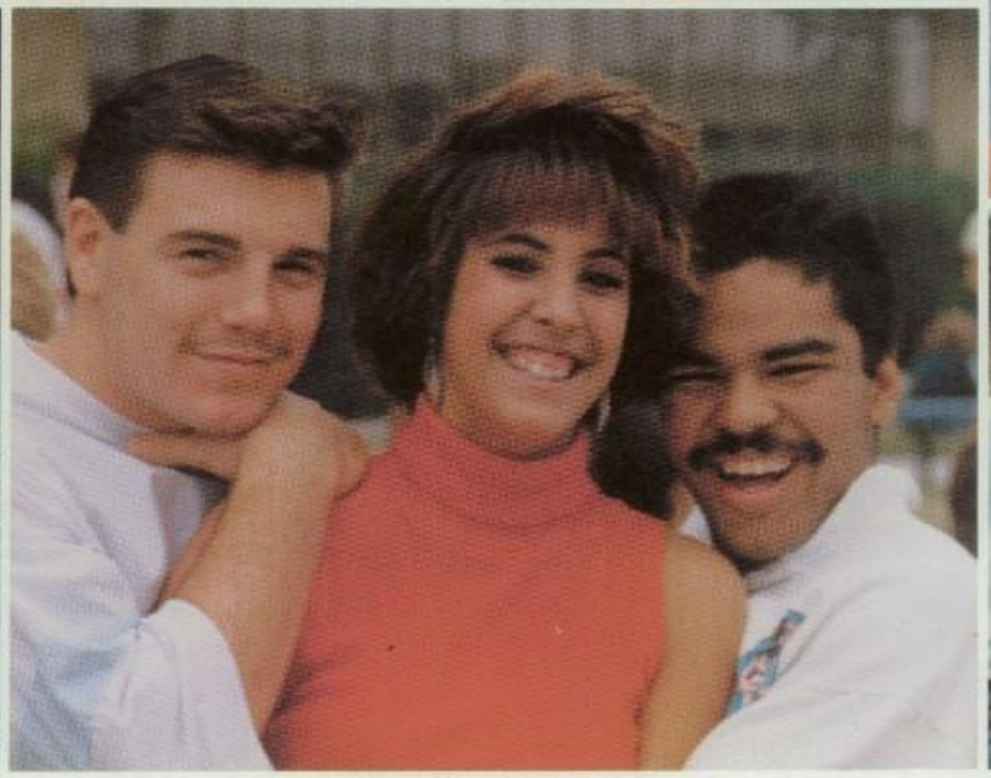
Serena and Jody celebrate after a Western victory.

What's a 'Little Gatherin' without friendship.

Paco, Chris, and Toby enjoy a bite after the game.

April tells Rich its "finger lickin' good."





THAT'S WHAT FRIENDS ARE FOR

Keep smilin...Keep shinin'

Knowing you can always count on me

For sure...That's what friends are for...

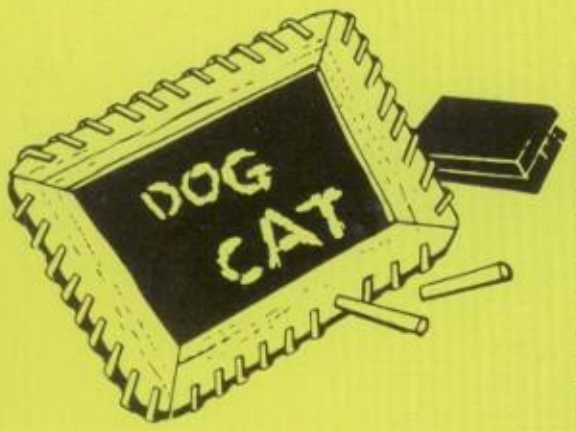
BACK TO SCHOOL

Your class ring will be $210 please!!



School is an experience we'll treasure for the rest of our lives. (And if you believe that, you belong here.) These are our impressionable years and school creates an atmosphere incredibly uplifting and inspiritional to mold us into productive citizens. As we return to school (we'll be counting the days until June) we all acknowledge the fact that we are here to learn and become better people (year right). So in being back in school we hope that our teachers share our visions, dreams, and express a similiar attitude toward learning in the year. (In other words, we want to pass and just get on to better and more important things like the beach and parties, etc . . .) Thank you for your support.

Girls' Junior Varsity Tennis finished the season with a record of 11 wins and 19 losses. The league record was 9 wins and 21 losses. Western was in 2nd place in the Orange League. Valencia was first and that is the team which defeated us two times. The outstanding player for Western was Isella Herrera. Two girls who were also very important to the team's win loss record were Jennifer Camia and Sylvia Jeon. The entire team was new this year and they learned to play tennis and to be very competitive in matches. We look forward to an equally successful year in 1988.

The junior varsity team this year had a very interesting season with ups and downs along the way. One week they would come out and be able to beat almost anyone then the next week they had all kinds of trouble. They needed consistency. The future for some of these athletes should be bright for Western's future and some will move right into starting positions on next year's varsity. The freshman team had their troubles as getting used to playing together requires lots of rhythm. Next year should be a good one.

What a year. After starting off with a loss to Loara the Pioneer team found themselves and played outstanding football for the remainder of the season. The highlight of the year was a total domination of Valencia the future CIF champs. Some weeks no team could compete against us and then we would let down just enough like the homecoming loss to Brea. The '87-88 marching band has had such a great year that it's hard to believe. They started last summer by marching in the July 4th Parade in Washington, D.C. They participated in and received honors in the LaPalma and Silverado Day Parades, and performed in field shows at Cal Poly, Los Altos, Sierra Vista, Savanna, Vista, Anaheim District, and their own. They received honors in the Music Olympics as well as entertained at home and away athletic events.

The Symphonic Band performed at the Christmas Concert, Anaheim Music Festival, and the Winter and Spring Concerts. They capped off the year by the Music Olympics and performing at garduation.

The Jazz Band was involved in the Long Beach, the Cal State Fullerton, and Mission Viejo Jazz Festivals. They also competed in the music Olympics as well as performing at community dinners and dances.

The boys varsity basketball team was led by three year starter Chris Bowen. The Pioneers were 9 wins and 3 losses during the preseason. This record put them on track to win more games than any other team since the 1979-80 squad. They ended the regular season with a 16 and 7 record. Having only two seniors contributed to the Pioneers relying heavily on underclassmen and this squad will be remembered as one of the youngest ever yet one of the most successful. The Pioneers won their first tournament championship with a thrilling 58-56 victory in the Garden Grove Tournament. As league progressed the Pioneers had many close games and lost two at the buzzer that could have gone either way. The season ended with five straight victories including a first ever victory over Brea and a stunning upset over previously undefeated and highly ranked Savanna. These last two victories forced a sudden death playoff game with Valencia which the Pioneers won 73-57 to gain a CIF berth. What a year! The tradition is back - WAIT TIL NEXT YEAR!!

Captains shake hands before the game.

This years varsity soccer team was a mixture of talent, determination, experience, pride, and an optimistic attitude. The beginning of the season was a blending of talents and attitudes and by the time league rolled around the team began to mesh as a unit. Occasionally things didn't go well but with a convincing 6 - 0 victory over Magnolia the team was determined to gain a CIF berth. The team was led by Cesar Quintero, Joey Hauck, Eddie Anaya, Tom Fisk, Paco Jimenez, and they received outstanding goaltending from Mark Winstead. Coach Orloff had a difficult task keeping the team up after close losses to league leader Anaheim and Brea but the Pio soccer men produced a good season for Western.

Western's Girl Soccer Team had a successful year. As they acquired new skills they developed a work ethic that required development of a positive attitude on the field for games and practice. Under the guidance of Captain Shelly Buchanan and Coach Hennessey the team represented Western as a strong adversary. It was a long and hard season and the girls never gave anything less than their best. This was only the second year that Western competed in the tough Orange League and they are striving to become a dominant force in League play.

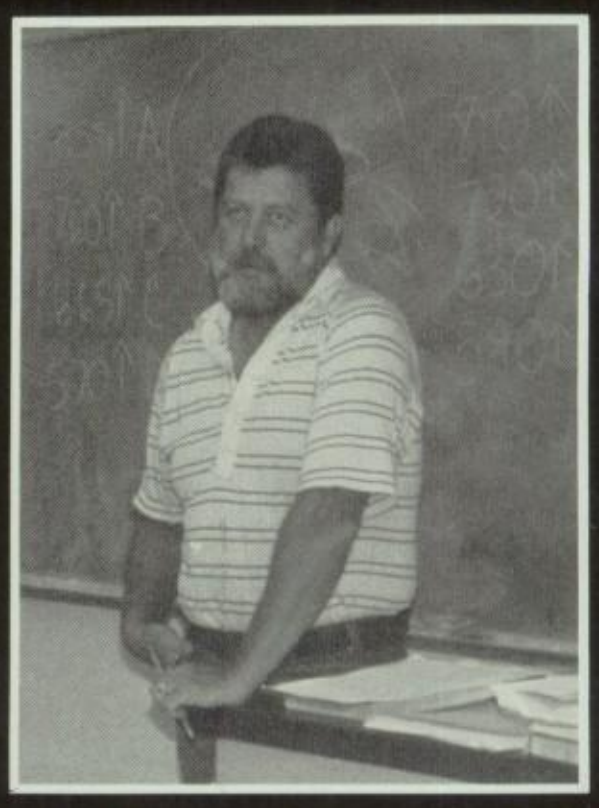
MARTY MC DERMOTT
1940 — 1987
TEACHER

HE CARED
HE MADE A DIFFERENCE

It was a sad time at Western High, as both the faculty and students mourn the loss of Mr. Marty Mc Dermott.

Mr. Mc Dermott had been a teacher for 26 years, 21 of them being at Western. Many of the students now attending had him as a science teacher. He was also a basketball coach for both girls' and boys' varsity teams. He made a difference in many people's lives.

Mr. Mc Dermott loved Western, and the school is a better place because of him. He will be missed by all.



Most of what I really need to know about how to live and what to do and how to be, I learned in kindergarten. Wisdom did not come to me in the classrooms of graduate schools as much as in the sandboxes of kindergarten.

And what did I learn? Share everything. Play fair, Don't hit people. Put things back where you found them. Clean up your own mess. Don't take things that aren't yours. Say you're sorry when you hurt somebody. Wash your hands before you eat. Flush. Warm cookies and cold milk are good for you.

Live a balanced life; learn some and think some and draw and paint and dance and play and work some everyday.

Take a nap every afternoon. When you go out into the world, watch for traffic, hold hands and stick together. Be aware of wonder. Remember the little seed in the plastic cup. The roots go down and the plant goes up and nobody really knows how or why, but we are all like that.

Goldfish and hamsters and white mice and even little seeds in plastic cups . . . they all die. And so do we.

And then remember the book about Dick and Jane and the first word you learned — the biggest word of all: LOOK. Everything you need to know is in there somewhere. The golden rule, love, and ecology, politics, and sane living.

Think of what a better world it would be if we all - everyone - had cookies and milk about 3 o'clock every afternoon and then lay down with our blankets for a nap. Or if we had basic policy in our nation and other nations to always put things back where we found them and cleaned up our own messes. An it is still true, no matter how old you are, when you go out into the world, it is best to hold hands and stick together.

Many people don't know what G.A.T.E. means. G.A.T.E. means Gifted and Talented Education formerly known as MGM. Many students here at Western took IQ tests way back in elementary school and were able to enter this group. In those days, the students would go to a different school one day a week and take excellerated classes that had an emphasis on being creative. Once junior high came around these students enrolled in 'Honors' classes. These classes need to have 51% GATE identified students along with 49% high achievers. These classes are qualitatively different and work on a higher intellectual level. In high school these classes continue and high achievers have an opportunity to be tested for GATE. This year 35 students are identified. Overall these students exemplify the highly intelligent, highly technical world of tomorrow. This year we are saluting these students and find they are the leaders of tomorrow.

The Close-Up Foundation is a nationwide program which provides students with the opportunity to experience Washington D.C. Besides seeing the enormous array of sights, students participate in seminars and workshops which allows them to ask questions and learn from people who know. This provides the chance to learn more about issues which confront our nation. The Kiwanis Bowl team competes against other Orange County high schools in a contest of the most trivial kind. Team members are selected for their ability to quickly recall facts from an incredibly wide range of subject matter. After months of practice in quiz-bowl fashion, the team competed here at Western and at other schools in the tournament sponsored by the Kiwanis Club. This year's team advanced to the final round of competition, this has been the best showing by Western's team. Jim Tozzie is the team's coach.

The '88 Varsity team was a well per forming unit, not long on experience but great on heart and attitude. The team relied on great defense and hustle for many victories. They showed grea sportsmanship and showed their strong areas of pitching and defense. Paced by new coach Debbie Harless, the team acted and performed as a much more experienced unit than they were. With Tanya Sieks and Ivy Pinkerton leading the way the team showed great poise and victories resulted.

JUNIOR VARSITY

The JV team had a very exciting year which consisted of many close victories and excellent pitching by Bambi Cardias. The team plagued by a low number of players and some games had no subs. But, despite all problems, Coach Mahon managed to bring in the team with a great season. They played all of their home games at Twila Reed Park and at the seasons end they felt it was their home away from home.

The Junior Varsity team this year started off in the Pioneer winning tradition. With the excellent playing of Don Norris, Javier Galdez, Eric Nygard, and Miles Roberson, the team was led to many exciting victories. This year the J.V. was coached by Coach Kato, a valuable addition to the Western crew. The players dedicated many hours to their team and all experienced another enjoyable year of Western Baseball. Congratulations and good luck to those who will be going on to Varsity in the future.

JUNIOR VARSITY SWIMMING

This years JV swimmers were going through a year of rebuilding a program that is in decline. However, with Coach Harter leading the way there is new interest and enthusiasm in the future. The squad was small but deadly and they were dedicated to true Pioneer Spirit as they worked long and hard to achieve their goals for the year. The season proved a learning experience for many new team members.

Coach Senglaub had his work cut out for him this year as his varsity squad was small but dedicated. A Majority of the teams members broke their personal bests and Brad Butts made it to CIF in the 500 freestyle along with Brad Englebrick in the 50 free. The team worked long and hard and were just overpowered by larger squads. We'll get 'em next year.

Consisting of the Varsity boys and the Varsity girls, the hard working crew started off the season with many surprises. Andy Lopreis broke the school record in the high jump with a leap of 6'9''. High hopes were also for Darrell Whipple whose specialities are the 100, 220, relay, and long jump. Vince Galaz is another that should be recognized in the shotput and discus. For the young Pioneer girls, top performers were Chantel Chenier, Soli Byrd, Jennifer Yu, Ginger Ams, and Lisa Gravell. The team had a good season and the coaching staff of Butterfield, Cullum, Bodkin, all were proud of this years group. Many of the team are young and talented therefore the years to come are promising.

Coach Sheppird

Varsity tennis had three seniors, four juniors, and two sophomores. The top three players were singles players Jack Wei, Ed Peregrino, and Jason Bowler. They had the potential to go to C.I.F., and they worked hard and concentrated. But, at this writing, they were struggling to do their best in league. Their dedication to tennis paid off and they improved the quality of tennis at Western.

J.V. TENNIS

JV Tennis had one returning player, with the rest of the team new to Western Tennis. They did very well. The Team was in 2nd place behind an extremely strong Valencia J.V.

The singles players were Robert Ho, Jason Daley, Randy Rivera. Only 3 doubles teams played each match so they had an active challenge ladder to see who played.

Top L-R: Randy Rivera, Jason Daley, Hinh Phasavath, Robert Ho, Alvin Perlas, Sung Kim, Coach Paul Takahama; *Bottom L-R:* Joe Cartwright, Jason Frigo, Nathan Medina, Jeff Carmichael, Perkash Darji, Brien Paek.

For its second year in existance the Pioneer golf team fielded a very representative unit. They were truly a team with most members in the low 40's or high 30's. They went through the preseason almost undefeated and entered league with confidence. This was a second good year for the linksters.
